

Randwick Primary School: Resilience, Passion, Success

NEWSLETTER

9TH September 2022

Dear Parents and Carers,

I am so pleased to join the happy school community of Randwick C of E Primary, blown away by the warm welcome shown to me by pupils, staff, governors and parents. The children have been delightful and quickly settled into routine, enjoying socialising with friends and working hard to form new teams of learners. It was lovely to meet our newest pupils starting in Reception, all sporting new uniform and beaming smiles. I particularly enjoyed seeing them at play in class and a visit to my office as part of their exciting school tour!

Getting to know the children has been a priority for me. I'll be honest, at my age it takes a little while to remember names but I'll get there. We are so lucky to have amazing staff and wonderful environment so I am confident that everyone will continue to 'fly high'.

The governors and I aim to maintain the high standard of education enjoyed by children and to ensure that Randwick remains a unique and happy place. For parents I will continue to use the existing platforms for communicating, for example setting out the key dates for the term as I know how useful this is. I am meeting PForS next week so do get in touch via the school office if you'd like to get involved. There may be a few tweaks of course, for example reducing workload for staff to deliver a newsletter fortnightly rather than every week.

Finally, thank you for getting the children to school on time and ready for learning. This makes such a difference and we are overjoyed if we see full attendance and no late arrivals. I know how frenetic mornings are so this is very much appreciated.

I am looking forward to my time at Randwick enormously and getting to know you all.

My best wishes,

Liam Hinkley

We are deeply saddened by the announcement that Queen Elizabeth II died. Today we talked about our feelings at this time, her legacy and the condolences to her family.
